## Message from the MD

I hope everyone had a nice Easter and did not over indulge on too many chocolate eggs! Team, thank you all for your hard work in the lead up to Easter which is our busiest time of the year. For our bread teams this is because Good Friday is one of only 2 days that the shops are closed and people panic buy and for our flour team this is because Mauri customers are busy baking hot cross buns. Either way our busiest time had minimal issues and this is thanks to all of your hard work.

It's nearly school holidays so please be mindful of kids as all of you are driving through shopping centers with deliveries or to merchandise. We also have Anzac day coming up for which planning is already underway for this significant public holiday.

I will be busy travelling between Melbourne and Sydney for the next couple of months and am looking forward to spending some time with staff in these states.

Please keep up your hard work and continue to work safe.

## Sydney Update:

This month Steve Goldrick will depart our Sydney team to go travelling around Australia with his wife for at least 6 months. Steve has been our Transport Coordinator since September last year and we are sad to see him leave us however we hope he will be able to pop in to see us all in Perth when he makes it to the West. Steve has been an excellent asset leading the team in Sydney and we appreciate all the hard work he has put in to achieve where we are in Sydney.

Steve will be replaced by Jack O'Donnell who was our relief driver and was training to look after the Transport Coordinator role if Steve ever went on leave. Once Steve made the decision to resign so he could travel, Jack was the obvious choice for his replacement. He has big shoes to fill however being trained by Steve we are sure he will have no trouble filling them. Congratulations to Jack on your new role and thank you Steve for all your hard work.

Jack O'Donnell

## Melbourne Update:

The Carisbrook team has been incredibly busy in Melbourne over the past month with 4 trucks operating out of the North Melbourne warehouse. Mauri had a transport supplier cease operating trucks overnight and called on Carisbrook to assist. We have commenced running 4 trucks with 1 more to come online shortly. Meanwhile the tender process continues in Melbourne and until the successful company is awarded a permanent contract Carisbrook will continue to assist wherever possible.

Jamie who is based in Melbourne has been crucial in the smooth operation of our Melbourne trucks. He has assisted in the training of drivers, collection of trucks and has been helping everyone in the absence of a Transport Coordinator. Although the new drivers are casual at this point in time we hope we can bring all the team on full time in the near future.

Jamie from Melbourne

## Carisbrook Enterprises Team Member Profile: Melinda Brown – Financial Controller

Melinda joined the Carisbrook Enterprises team in March 2013 in the role of Financial Controller. Having spent many years working in Perth and abroad, Melinda brings a wealth of corporate finance knowledge and experience spanning numerous industries.

Always on the go, Melinda's time away from the Carisbrook office sees her managing a successful alpaca breeding business. Spending time with her beloved alpacas on her picturesque farm is what relaxes and inspires her each day. In your downtime from work be sure to follow Toffee Woods Alpacas on facebook!

# Malaga Distribution Centre Competition:

The Malaga warehouse is running a competition for who can pick the most picks over the month of April with minimal pick and check errors! We are half way through, and competition is fierce! Prize is a voucher of the winner's choice. Good luck!

Voucher		UPDATE DATA															ERRORS				
		26.3				3.4				9.4					16.4					Pred- Errors	Check- Errors

## Did you know?

Our flour boys have been flat out doing double deliveries over the Easter break, a massive 2,400 tonnes of flour has been carted.

## Get Well...Cathy:

Our intrepid Merchandising Supervisor Cathy had an operation recently. Thankfully she's back in the office now.

## WEDNESDAY April 25 marks the landing of Australian and New Zealand forces on Turkey's Gallipoli peninsula in 1915.

Anzac Day is the chance to reflect on the sacrifice made by so many who lost their lives in the defence of freedom, and honour those who survived, bearing the physical and mental scars of conflict. You might like to consider attending a dawn service or event in your State. Below are some options.

### WESTERN AUSTRALIA:

For something different consider heading to Kings Park for sunset services:

<https://www.bgpa.wa.gov.au/kings-park/events/events-calendar/category/327-perth-events>

### NEW SOUTH WALES

### Safety Tip: Traffic Management

Please check with your supervisor for instructions relating to your particular distribution and pick up points. If you work in WA and drop off/ pick up at the Malaga Distribution Centre, some of the key safety tips for safe passage of vehicles are as follows:

- Forklift drivers to 'honk' to alert other drivers and pedestrians of their presence
- Staff in high traffic areas to wear high vis, and appropriate shoes
- No access to coned off areas while receivables/dispatch are taking place
- Drivers of large vehicles to report to Phil Kirk, Warehouse Supervisor
- Speed limits are 10km/hr
